Icynene Inc.  
6747 Campobello Road  
Mississauga, ON L5N 2L7

Mr. Reeves,

The enclosed letter is to confirm that LifePine shakes and shingles roofing products have been approved for the use with spray-in-place Icynene Insulation System and will carry the full limited warranty according to the following:

- The Shakes and Shingle must be installed in accordance with the LifePine Products manufacturer's specifications, guide lines and compliance with local building codes
- All structural roof work including decking/sheathing is in place and in compliance with local codes.
- The Icynene sprayed in place Insulation System is applied by a license Icynene authorize dealer and meets all Icynene specification and guide lines.

For LifePine Products application instructions, specifications, limited warranties please visit our web site at [www.LifePine.com](http://www.LifePine.com)

Sincerely,

Sherrill Green
